

Film Board Meeting Minutes

Date: March 15th, 2011

Meeting Called to Order at 6:05pm.

Unexcused Absences: None

Excused Absences: Andrew Heikkinen, Matt Heyse, Randy Thomas

Minutes from Last Week Before Spring Break: Passed

President: For my report, I found this (a toy Tron light cycle) in the case holding the Tron poster, and it was cool, so I took it. You can play with it. Also, this is what our nominations look like right now. The constitution says that you have wait another week. So we're voting next week. This is also an old business, so we'll wait. Mostly what I have to say is in New Business. I hope everyone had a great spring break, and that no one got hurt.

Vice President: The requirements are updated. But I'll talk about it later.

Secretary: There are 39 people in Film Board. Yay!

Treasurer: I got the budget in. I needed to attend USG meetings to reimburse me for \$12,000 dollars. I also have girl scout cookies.

Concessions: Concessions chair is thinking about purchasing smoked meat and gum.

Advertising: No report.

Publicity: * This is kind of directed more for the officers, but has anyone seen the Red posters? I've looked in the office, I've looked everywhere else, but I can't find it. I put them all in their tubes. I have all of them, except for Red. So... Don't touch the posters. If something needs to be moved, let me know.

* THE FULL STORY - "Originally three sets of posters were missing: 3 Piranha, 3 RED, and 1 Harry Potter. I asked Jason about Piranha and RED, and he said that they should be in the office, as that was where he put them. I found the Piranha posters upon cleaning the office, but the Harry Potter and RED posters were nowhere to be found. The Harry Potter poster turned up after some time (I'm pretty sure someone took it and then returned it when I asked around if people knew where it was. But I can't be sure. However, it wasn't in the office when I cleaned and found Piranha, but that's where it turned up later.). But I still have yet to find the three missing RED posters. We had them when we showed RED, but now they are nowhere to be found."

Committee Report: No committees have met.

Old Business:

- Nominations
 - Shannon says that one more week must go by for nominations, and asks if there are any more nominations.
 - James says that his name is spelled wrong, and that he's not running for publicity.
 - No more nominations added to the list.

- No other old business

New Business:

- Blockbuster Movie
 - The King's Speech won the vote. Shannon doesn't want to show a boring movie the week before finals week, though, so she was thinking about showing Super Troopers.
 - Someone said that jugs of maple syrup should be sold, and that there should be a chugging contest.
 - Someone asks if the movie can be changed. Shannon says yes.
 - Shannon needs a motion. Laird motions to show a Blockbuster the week before finals week instead of a boring movie about something. Jen Cauley and many others second.
 - The motion passes.

- No one is interested in doing it.
