HOW'S THE BOARD?

Old Business

Spring fling! Sign up to help, people who wanna help out with decorations should maybe talk beforehand?

Our unpaid movie receipt mix-up is still in progress because Michigan Tech does weird things with receipts (it's by company using a unique ID which is somehow currently forgotten).

HOW'S THE BOARD?

New Business

Filmboard could show its movies for free to students (and therefore more students would theoretically come to the movies, yay) if we charged each student \$3 in the experience tech fee. If we still charged community members for tickets, and we still charged for concessions, it would be more than enough to pay for filmboard. This wouldn't happen next year, but we would have to talk to the experience tech committee about it soon.

HOW'S THE BOARD?

Motion to Adjourn by Sam Krieger. Seconded by Kevin, (who should really count, because Sam only did a "gesticulate to leave").
