HOW'S THE BOARD?

Old Business

- T-Shirts (vests, fezzes, masks or crop tops are also options).
 - Can cut in half to have both tube tops and crop tops

HOW'S THE BOARD?

New Business

7% of filmboard members think people should sleep with socks on, 7% with socks off and the rest think people can do what they wanna do my dudes.

- If we can show movies, how would we do the board?
 - Can streamline it digitally
 - Have to make sure people can edit it at once
 - Don't want people who feel uncomfortable meeting in person to be left out of signing up for shows (if we get to meet in person)
- Roberts' Rule of Order
President runs the meeting, and when the board must vote on things it starts in new business, the next week it will be in old business. Cannot vote until it's in old business and must have a certain amount of members present to vote. Must be motioned to vote, and then seconded. President isn't supposed to vote, but they are the tie breaker if needed.
- In-person K-Day
 - Reese will email whoever signs up
 - We're by the mub
 - What should we do for k-day? Could do QR code (like done in virtual k-day).
Movie quotes or trivial. Cardboard cutouts. Could put out extra movie posters.
- Freshmen are feeling isolated, how to interact with people more?
