## HOW'S THE BOARD?

### Old Business

FB Swag - Beanies would be easiest to get through embroidery shops, which are backed up right now. 100 lanyards can be obtained for under \$100. Custom face masks are an option, but individual members would have to buy their own.

Drive-in Rosza movie (Rocky Horror Picture Show) is Saturday the 21st. We would like to help if they would like help.

## HOW'S THE BOARD?

### New Business

Since the event is not happening, does filmboard want to show a movie? Public domain movies could be done, or tech may have licenses for documentaries tech has made. Could do a zoom webinar, or youtube live/facebook live. Would we want to do that for the next few weeks as well?

We still have our 35 mm projector, and would like to get it out of the booth (as we are done using it). We will be asking MTU archives if they would like to keep it on campus as part of tech history.

New member welcomed.
