## President Calls Meeting to Order

### Approval of Last Week's Meeting Minutes

**Motion to Approve** by Noah Weiss

**Motion Seconded** by Kevin King

### Officer Reports

President

- The ID tapper came in, cost about \$20 more than the quote we got last year. The brooms have not been ordered yet - Will probably happen next semester, because we can't really be there to receive it.
- Our extra candy has been donated to the husky food pantry.
- No meetings next week, and no more projectionist training this semester.

Vice President

- Refresher training this semester is not a thing. Virus > Noah's charisma.

Treasurer

- We have spent money on a tapper, but that's all that's changed.

## HOW'S THE BOARD?

### Old Business

Purchasing Supplies - Anything we should get, other than the tapper and brooms? We need further research for a new shop vac and monitor. Purchasing new supplies will probably wait until next semester.

Last 2 Events for the Semester - a lot of students are looking for events to participate in. We're still planning on going ahead with it.

Citizen Kane would be a good idea to show. B-movies could be a bad idea, because those are funniest with other people. It's a Wonderful Life is a Christmas movie, and it's actually not a bad movie. It would be shown December 4th or 5th... The votes were 50-50, so we can show It's a Wonderful Life in December, and Citizen Kane at the beginning of next semester.

For the showings, would we want to do 8:00 on Friday and Saturday? Could we put it on loop? If nothing happens (no interaction) for forty minutes, Zoom Webinar will end itself. For now let's go with 8:00.

We'll look for a loony tunes playlist or something with the public domain ones.

## HOW'S THE BOARD?

### New Business

Tentative Schedule for Spring

Use polls and trivia to get student interaction? Should we create a tentative public domain movie list? We already have Citizen Kane on the docket.

Movie Posters

We have ~16 movie posters (Frozen 2, Maleficent, Dr. Sleep, Joker, Knives out). We can't currently hand them out - wait til spring and do it as usual, or wait until the next

time we show movies? Potential issues are people going on co-op and people graduating. Our President vetos doing it tonight, but Kevin motioned to doing it in the spring. 79% of the board voted for handing out the posters in the spring. We will figure out the exact number of posters for then.
