## HOW'S THE BOARD?

### Old Business

#### New Starting Amounts

- Concessions and Tickets starting amounts were altered for last weekend
- Still too many ones?
  - We did have one show this weekend where we ended with \$32 ones below the starting amount
  - We may not want to lower this further
- We did not band ones
  - This would decrease the amount we need to count without risking a lack of ones when we need them
- Having more tens was helpful

## HOW'S THE BOARD?

### New Business

#### Shirts

- If you do not have a Film Board shirt, talk to Isaiah
- We have a limited supply currently
- Shirts are \$10 per person
- This can be handled later if need be
- Shirts are supposed to be worn to shows when possible
- Are the shirts necessary?
  - They help us know who is working the show
  - They are extra publicity for Film Board

#### Shark

- We are going to make a cardboard shark around the entrance to Fisher 135 for this weekend's showing of Jaws
- Stephanie & SLI have approved this idea
  - It may not fall down on anyone
  - We have to have it torn down by the end of the weekend
- We may put it up starting at 4:30 pm
- It will be taken down by the Sunday extreme
- If people are interested in working on that, there will be a few extra slots on the board for people to help build the shark on Friday
  - This will count as another show
- It will not be super complicated – think cardboard triangles arranged in a nice, shark-like façade
