

Film Board Meeting Minutes

Date: April 12th, 2011

Meeting Called to Order at 6:07pm.

Unexcused Absences: Miles Grostefon

Excused Absences: Erin Chojnowski, John Gibbs, Andrew Heikkinen, Matt Laird, Kyle Long, Rebekka Mikkola, Brandon Miller, Danny Van Alstyne, Jim Wallor

Minutes from Last Week: Passed.

President: Officers, I know I asked you to have your binders revised by the end of the semester, but there's been a lot of changes, so we're going to have to do the normal "make it look nice and fix it later" thing. I'll let Carow know who needs to get paid and stuff as you turn your binders in. If you don't turn in your binder, you don't get paid.

Vice President: (Not here - report given by Shannon) If you look at the bottom of the requirement sheet, it tells you how many shows you need to have done to go to the social. Erin says that you should have at least 2/3 done since it's the end of the semester. If you don't get these done, we may charge you for the social. You're more than welcome to attend but we may have to charge you to eat. Also, if you came in halfway or more through the semester, you don't have to worry about doing eight shows, but he does want you to do two shows and maybe one of the cleanups... This applies to people like Blaze and Phil. Lastly, Erin says that you only have to do 3 regular cleanups, not 4 like the spreadsheet says (it was messed up).

Secretary: No report.

Treasurer: The movie paid for itself. I'm not quite sure what the amount was. The money was good.... Good counting. And concessions was correct. Yay. (Apparently Nate was off by a quarter. He says, Damn.)

Concessions: Two words. Bacon.... Monster. Third word. Seasoning. We're looking into it. They're expensive, but we're looking at a deal where we can pick them up for a buck and a quarter.

Advertising: No report.

Publicity: The MUB kiosk will be taken care of tomorrow. There were complications today so I wasn't able to change it as normal.

Web Page: It's updated.

Equipment Supervisor: The bulb got put in. (Shannon says, "There was a light in the back of the projector warning us that the bulb was going to die. We heard it was going to cost \$7,000, but it cost \$1,300"). Randy says that we didn't pay for a professional thing to do it... He did all of it.

Advisor: Good luck on finals. I won't be at the meeting next week. And congratulations to those who are graduating... Good luck to you all. It was nice to be part of a year that wasn't as eventful as last year. And one more thing... Matt is the only one who knows what this means, but table tents are up there. Take them. Post them.

Committee Report: No report.

Old Business: No old business.

New Business:

- Carow's Meat:
 - Shannon says, "We're purchasing meat from Carow's dad, and his lovely fiance is driving it up. I was hoping we could reimburse Karen for the gas she's spending to get here."
 - It's coming from about five hours away.
 - Jack motions to reimburse Matt's fiance for his dad's meat.
 - Nate wants to point out that Carow's fiance is giving us Carow's dad's meat, and that we're paying for it... Hahaha. Shannon says this is the first time Nate hasn't been able to finish his own joke.
 - Randy seconds.
 - No discussion. The motion passes.
 - Matt wants to know if his fiance can come to the social since she's bringing the meat.
 - Nobody objects. Heyse says that it's all good as long as the meat is good.

- Ticket Price for Robin Hood: Men in Tights
 - Joe Heyse jokes that since it's a Blockbuster, FB should charge full theater price at \$8.75. Apparently, "We'll make a killing on it."
 - Randy thinks it should be free because it's an old movie.
 - Heyse thinks a dollar will be a good price.
 - With shipping included, the movie will cost \$295.
 - Advertising will be done next Thursday so that it can be a secret for as long as possible.
 - Springer motions that the movie is free.
 - The motion passes. The movie is going to be free.
 - Heyse asks if there will be the real Men in Tights poster.
 - Shannon asks how many guys are willing to wear real tights to the showing? Gish raise their hands.
 - Shannon wants to get little toy bows and arrows with suction cups.
 - Randy motions that Erin has to wear a costume, or we shouldn't allocate money for the tights/hat/bow & arrow.
 - Carow seconds it.
 - Nate says that the motion needs to be revised so that Erin MUST wear the costume if others are. Shannon says she will talk to him. Heyse doesn't want Erin to know, so he moves to vote.
 - Shannon: All those in favor, say, "Yay." All those opposed, say, "Shannon is a good person." All who abstain, just cry.
 - The motion passes.
 - Shannon says she will try to find tights/hats/bows & arrows.

- SUPER SECRET MOTION. If you wanted to know what it is, you should have gone to the meeting. :P

- Graduating seniors who aren't going to be here next year need to let Shannon know.
