HOW'S THE BOARD?

Old Business

Halloween Movie - We can stream a movie this weekend. Thoughts?

- We could rent out rooms, or send out a zoom link.
- Would people show up - Is it worth it to gamble on that? No in-person this week.
- Would we want to do a filmboard showing this week?
- 8pm is the best start time.
- We'll be showing Night of the living dead.

Future Streamed Public Domain Movies

- We should probably try to target groups to come see it (such as halls).
- If everyone looks and finds 1 or 2 public domain movies, we can make a plan of what to show this semester (and next semester).
- WWII era cartoons should be in the public domain, it could be a good thing to show around exam time.
- We could also show a silent movie.
- We could show movies for the remaining few weeks - maybe try to do things two or three of the remaining weeks?

Advertising - We should probably be trying to advertise for new members. If there's a new form of advertising we want to try, we can try it now.

Email Reese any public domain movies you'd like to show.

HOW'S THE BOARD?

New Business

Upgrades (Monitor(s), brooms, shop vac)

- One of our monitors died, we should upgrade an older monitor to support multiple things to ease confusion of the projectionists.
- Would we want to allocate money to a new monitor, brooms and a shop vac?
- We should probably look into options before deciding to allocate funds.
