RA Group Rates

- If an RA brings their hall to a Film Board showing, they get a discount
- \$3 per person, includes a ticket & a bag of popcorn
- Separate from regular group rates, which only apply to groups of [50, 100, etc.]
- Jerry would like to propose a flat rate based on the average number of people per hall
 - \$4 to include ticket & popcorn
 - Estimate averages
 - Consider hall participation: 15-16 people at most, usually

- RAs will approach us about events, group events often fail to get participants
 - Per person is less of a risk for the RA
- Last year, we charged after they came to the movie to determine the number of individuals
- How much money do the RAs get for their events?
- Halls rarely use all their money, but they may not have much to begin with
- If you know an RA, let them know about our group rate – RAs are required to do a certain number of events per semester

New Members
