Old Business

Matinees? Discussing the possibility at 12:30, 3:30, etc. Dave has no issues just need to know what movies so he can get extend the license. Ian believes a need for consistency with times, regardless of movie length.

Motion to make long times be our standard for movies and decide on the matinees for movies on Saturdays and Sundays. Matinees will be frozen as of right now. by jim

Verdict: Motion Passed

New Business

Greek frozen Preview, Bill was thinking we let Greek life in for preview showing on Thursday, wanted to bring it up to the board.

Greek to show up on preview day for frozen and discuss the ticket price for these orgs and will need to get people for concession.

Let them know that they can get group discount if they have enough people.

If we can get the volunteer for it and they are willing to pay full price for it.

Heyse have them pay for 50 tickets at \$3 a ticket regardless if 50 people show up or not.
